## SUMMARY

The San Diego County Local Agency Formation Commission (LAFCO) will receive a status report on active proposals and requests currently on file as well as anticipated filings based on ongoing discussions with proponents. The item is for information and concurrently satisfies LAFCO's reporting requirement involving petition-initiated proposals.

## BACKGROUND

### Processing Procedures and Timelines

LAFCO proceedings for jurisdictional changes are generally initiated by outside applicants through petitions (landowners or voters), and to a lesser extent by resolutions (local agencies). LAFCOs may also initiate jurisdictional changes to form, consolidate, or dissolve special districts if consistent with the recommendations of approved municipal service reviews. Most jurisdictional change filings take four to six months before they are scheduled for hearing. Requests for outside-of-agency service approvals – which are subject to separate procedures – generally take two months to process.
