TO: Local Agencies

FROM: Executive Officer

SUBJECT: Enactment of SB 1266

This is to remind you that SB 1266 (McGuire) was approved by the Governor on August 22, 2016. Among other things, this bill requires joint powers authorities (JPAs) or joint powers agencies that provide municipal services to file joint powers agreements and amendments with Local Agency Formation Commissions (LAFCOs) in 2017. Specifically, this bill:

(1) Requires a JPA to file with a LAFCO, the full text of the joint powers agreement, and any amendments to the agreement, in the same manner as filed with the State Controller under existing law, if the JPA:

   a. Meets the definition of a JPA provided in existing law which defines a JPA formed for the local performance of governmental functions that includes the provision of *municipal services*; and,

   b. Includes a local agency member that is a *city, county, or district.*

(2) Requires the filing to be with the LAFCO in each county within which all or any part of a local agency's member's territory is located.

(3) Requires a JPA formed prior to January 1, 2017, and that meets the criteria in (1) above, to file a copy of the (original) agreement and any amendments to the agreement with the LAFCO in each county which all or any part of a local agency's territory is located no later than July 1, 2017.

(4) Prohibits any agency or entity administering a joint powers agreement or amendment to an agreement which fails to file the above notice(s) with a LAFCO, from issuing any bonds or incurring indebtedness of any kind until filings are completed.

The San Diego LAFCO does not have JPA regulatory and review authority under the provisions of SB 1266--our role is to serve as a depository for associated filings. Therefore, to assist the public and local agencies track the LAFCO filings, we will establish a page on our website in early 2017 to post associated SB 1266 documents. The San Diego LAFCO's website address is: www.sdlafco.org. A copy of SB 1266 is attached for your information.

# Senate Bill No. 1266

## CHAPTER 173

An act to amend Section 6503.6 of, and to add Section 6503.8 to, the Government Code, relating to local government.

[Approved by Governor August 22, 2016. Filed with Secretary of State August 22, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1266, McGuire. Joint Exercise of Powers Act: agreements: filings.

The Joint Exercise of Powers Act generally authorizes 2 or more public agencies, by agreement, to jointly exercise any common power, which is generally termed a joint powers agreement. When a joint powers agreement provides for the creation of an agency or entity, separate from the parties to the agreement and responsible for its administration, existing law requires that agency or entity to cause a notice of the agreement or amendment to be prepared and filed, as specified, with the Secretary of State. Existing law requires an agency or entity that files a notice of agreement or amendment with the Secretary of State to also file a copy of the original joint powers agreement, and any amendment to the agreement, with the Controller.

This bill would require an agency or entity required to file documents with the Controller, as described above, that meets the definition of a joint powers authority or joint powers agency, as specified, that was formed for the purpose of providing municipal services and that includes a local agency member, as specified, to also file a copy of the agreement or amendment to the agreement with the local agency formation commission in each county within which all or any part of a local agency member's territory is located within 30 days after the effective date of the agreement or amendment to the agreement. The bill would also require an agency or entity that meets the definition of a joint powers authority or joint powers agency, as specified, that was formed for the purpose of providing municipal services prior to the effective date of this act and that includes a local agency member, as specified, to file a copy of the agreement and any amendments to the agreement with the local agency formation commission in each county within which all or any part of a local agency member's territory is located no later than July 1, 2017. This bill would prohibit an agency or entity administering an agreement or amendment that has failed to make the required filings within the specified timeframes from issuing bonds or incurring any indebtedness until those filings have been made.

By requiring specified joint powers agencies to file certain documents with a local agency formation commission, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

*The people of the State of California do enact as follows:*

SECTION 1. Section 6503.6 of the Government Code is amended to read:

6503.6. (a) When an agency or entity files a notice of agreement or amendment to the agreement with the office of the Secretary of State pursuant to Section 6503.5, the agency or entity shall file a copy of the full text of the original joint powers agreement, and any amendment to the agreement, with the Controller. An agency or entity that meets the definition of a joint powers authority or joint powers agency under Section 56047.7 that was formed for the purpose of providing municipal services and that includes a local agency member that is a city, district, or county shall, within 30 days after the effective date of the agreement or amendment to the agreement, file a copy of the agreement or amendment to the agreement with the local agency formation commission in each county within which all or any part of a local agency member's territory is located.

(b) Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which agreement or amendment becomes effective on or after the effective date of this section, which fails to file the notice with a local agency formation commission required by this section within 30 days after the effective date of the agreement or amendment shall not thereafter, and until those filings are completed, issue any bonds or incur indebtedness of any kind.

SEC. 2. Section 6503.8 is added to the Government Code, to read:

6503.8. (a) No later than July 1, 2017, an agency or entity that meets the definition of a joint powers authority or joint powers agency under Section 56047.7 that was formed for the purpose of providing municipal services prior to the effective date of this section, and that includes a local agency member that is a city, district, or county, shall cause a copy of the agreement and any amendments to the agreement to be filed with the local agency formation commission in each county within which all or any part of a local agency member's territory is located.

(b) Notwithstanding any other provision of this chapter, any agency or entity administering a joint powers agreement or amendment to such an agreement, which fails to file the notice with a local agency formation commission required by this section on or before July 1, 2017, shall not thereafter, and until those filings are completed, issue any bonds or incur indebtedness of any kind.

SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

TO: Special Districts Advisory Committee

FROM: Local Government Consultant

SUBJECT: Discussion of Considering Filling of Position Vacancy(s)

SDAC member Margarette Morgan did not seek reelection in November 2016 and is therefore no longer a member of the SDAC, resulting in a vacancy. Staff has become aware that there may be an additional vacancy that may occur in the next thirty (30) days.

The LAFCO Policy for filling of vacancies on the SDAC provides that the Chair may appoint a qualified person to fill a vacancy on an interim basis subject to the affirmation of the SDAC to fill the vacancy until the next scheduled election. The term of the vacated position extends to October 2020. Any other vacancy that may occur will depend upon the position and term for it (either 2019 or 2020). On some previous occasions, the SDAC has requested that a special nomination and election process be conducted to fill open positions. This process takes about five (5) months. Since an election for Special District representatives was held in mid-2016, staff would prefer to not conduct and hold another election at this close of time.

Chair Thorner requested that this issue be placed on the agenda for discussion. The SDAC should discuss how to proceed with filing of this vacancy and provide direction to staff on contacting potential candidates in lieu of allowing the vacancy to remain unfilled.

SUBJECT: Legislative Update Report

Staff monitors proposed legislation in Sacramento. The 2017-18 Legislative Session began January 11, 2017. A schedule of actions and dates is attached for your information. The primary dates for introduction of new bills are February 17, 2017 (date of the SDAC meeting), April 28, 2017, the last day for policy committees to hear and report on fiscal bills; and May 12, 2017, the last day for policy committees to hear and report on non-fiscal bills to the floor of the home house. If one of these does not occur, a bill is deemed to be "dead" unless granted reconsideration under certain circumstances.

At this early time very few bills have been introduced but many will be by the time of the SDAC meeting.

The Local Government Consultant will provide an update at the meeting on proposed bills impacting LAFCO or of general interest.
