Commission Rolling Study Schedule 5-YEAR PLAN

FY2025 Through FY2029

Regional Service Planning
Subdivision of the State of California

Study Directive

State law directs San Diego LAFCO to review spheres of influence for all cities and special districts and update as needed (affirm, expand, reduce, etc.) every five years and by extension mark the agencies' appropriate current and future boundaries and service areas. Pertinently, local agencies cannot annex and/or extend services outside their spheres with limited exceptions. State law also specifies San Diego LAFCO must inform the sphere updates by preparing comprehensive evaluations – titled municipal service reviews – to determine the availability and adequacy of local governmental services as well as governance responsiveness relative to community needs.

Study Schedule

San Diego LAFCO has established a five-year rolling Study Schedule to guide its statutory task to review and update as appropriate the spheres of influence of cities and special districts under the Commission's oversight. The rolling Study Schedule is premised on the Commission's policy interest to proactively calendar municipal service reviews and use these documents to determine the subsequent scope of any related sphere of influence updates for the affected agencies. The Commission also regularly draws on the municipal service reviews to inform its' decision-making on boundary changes.

Rolling Study Schedule Format

The Study Schedule is a living or rolling document that the Commission resets yearly in concert with the annual budget and workplan adoptions. The rolling study schedule spans 5 fiscal years with only the first year being set. The second through fifth years are tentatively calendared, and done so to help guide and telegraph future decision-making. This approach allows the Commission the flexibility to redirect staff resources where needed should calendar studies extend beyond one year while also granting staff the ability to prioritize applicant proposals.

San Diego LAFCO's Commission

San Diego LAFCO is governed by a 13-member "Commission" comprising county, city, special district, and public members. All Commissioners are appointed elected officials with the exception of the two public members. Commissioners serve four–year terms and divided between "regulars" and "alternates" and must exercise their independent judgment on behalf of the interests of residents, landowners, and the public as a whole. Commissioners are subject to standard disclosure requirements and must file annual statements of economic interests. The Commission has sole authority in administering its legislative responsibilities and decisions therein are not subject to an outside appeal process.
