SAN DIEGO COUNTY
LOCAL AGENCY FORMATION COMMISSION

NOTICE OF PUBLIC HEARING

Notice is hereby given the San Diego County Local Agency Formation Commission ("LAFCO") will hold a regular public meeting on **Monday, June 1, 2020** at 9:00 a.m. to consider – and among other items – the following matter:

SPHERE OF INFLUENCE UPDATE
COUNTY SERVICE AREA NO. 135

In accordance with Government Code Section 56425, LAFCO will open a public hearing to consider taking formal action to update the sphere of influence for County Service Area (CSA) No. 135. The update addresses LAFCO's statutory requirement to review the sphere and make changes as needed in designating the area the Commission believes represents CSA No. 135's appropriate current and probable future boundary for its three active functions: (a) public safety radio communication; (b) fire protection; and (c) emergency medical. All jurisdictional changes must be consistent with the affected agencies' spheres with limited exceptions. A recently completed municipal service review on CSA No. 135 serves as the source document in informing the update and is available for viewing online at www.sdlafco.org. The agenda report on the sphere update with specific recommendations will be available online no later than May 26th.

The public is encouraged to review these materials and provide comments before or during the June 1st public hearing. The hearing will be held virtually utilizing available video and teleconference technologies consistent with the Governor's Executive Orders to practice physical distancing due to COVID-19. Additional details on participating in the virtual meeting is available at the LAFCO website or by contacting staff at (858) 614-7755.
