City of CARLSBAD			Incorporated: July 16, 1952
6-5-78	*	Larger-than-city sphere adopted	The original sphere had 4,800± additional acres including Batiquitos Lagoon, property north of the Lagoon, land south of the city limits, as well as 10 islands that totaled about 2,300 acres.
12-2-85	SA85-31	Larger-than-city sphere amended to ***exclude*** 1,054 acres; amendment area included in sphere and boundary of newly incorporated City of Encinitas.	See RO85-9 and SI85-70: *"San Dieguito Reorganization" (Incorporation) and Adoption of a Sphere of Influence for San Dieguito* Amendment area consisted of off-shore tidelands.
12-6-93	SR93-114	Larger-than- city sphere affirmed as coterminous	Between 1978 and 1993, six amendments were approved; this resulted in the City's sphere becoming coterminous.
2-5-96	*	Coterminous sphere amended to ***exclude*** 3.3 acres; sphere amendment area detached from City.	See RO95-27 (City of Encinitas) *"Leucadia Boulevard Reorganization"* Sphere amendment area added to City of Encinitas sphere and annexed to City for extension of roadway.
8-1-05	SR05-12	Coterminous sphere affirmed	No MSR was completed. A sphere review was conducted for 11 cities including Carlsbad. Sphere affirmed: (1) no sphere activity for nine years; and (2) request from city staff to retain existing sphere. Potential reorganization with Oceanside would establish a more logical mutual boundary.
3-3-08	SR08-07[A]	Coterminous sphere affirmed	See MSR08-07: *"Municipal Service Review and Sphere of Influence Review for All Cities in San Diego County"* A sphere review was conducted for all 18 cities. Sphere affirmed because no sphere changes for 12 years. Potential future Carlsbad/Oceanside jurisdictional change would not be subject to LAFCO's sphere amendment restriction.

Approval Date	LAFCO Ref. No. (*no Ref. No.)	Approved Sphere Action	Related Information
11-3-14	SA13-48(B)	Coterminous sphere amended to add 0.81 acre; amendment area annexed to City. Coterminous sphere amended to ***exclude*** 1.96 acres; amendment area detached from City.	See RO13-48: *"San Marcos-Carlsbad Reorganization" (City of San Marcos)* City of Carlsbad annexation area also detached from City of San Marcos and San Marcos FPD; area detached from City of Carlsbad annexed to City of San Marcos and San Marcos FPD.
8-1-16	SR13-100	Coterminous sphere affirmed. A Special Study Area designation was placed on undeveloped, unincorporated land located east of Carlsbad that has access via the City of San Marcos, is in Encinitas' sphere, but not in a fire agency. Both Carlsbad and San Marcos have fire stations closer than Encinitas. This should encourage discussion among the three cities to determine the most efficient service provider.	See MSR13-100: *"Five Year Sphere of Influence and Service Review for North County Coastal Cities"* Update also included cities of Del Mar, Encinitas, Oceanside, and Solana Beach.
City of CHULA VISTA			Incorporated: November 21, 1911
11-5-81	SI83-28	Partial coterminous sphere adopted	*See RO81-20 "Montgomery Reorganization (Incorporation) and RO81-21 "Montgomery Reorganization" (City of Chula Vista)* Prior to consideration of these proposals, a partial sphere for the subject territory was adopted.
7-1-85	SI83-28	Partial (remainder) larger-than-city sphere adopted	Concurrent with 11 special districts, Chula Vista's sphere was reviewed. Additional acreage is located north and east of the city limits. Special Study Area designations were assigned to three areas: (1) SR 54 where four non-contiguous parcels totaling 104 acres already are in either National City or Chula Vista; (2) South San Diego Bay where a 285-acre triangular parcel located adjacent to Chula Vista's southwestern boundary via an underwater corridor is in National City and leased by the Western Salt Company; and (3) Otay River Valley where property located along Chula Vista's southern boundary and stretching east of I-805 to Otay Reservoir is in the City of San Diego. A sphere determination for Otay Ranch/United Enterprises, Inc. area was to follow at a later date.

Approval Date	LAFCO Ref. No. (*no Ref. No.)	Approved Sphere Action	Related Information
9-9-85	SI83-28	Larger-than-city sphere amended; sphere includes 24.8 sq. mi. city plus 14± sq. mi.	The 9,000-acre Otay Ranch/United Enterprises, Inc. area located along the City's southeastern boundary was designated a Special Study Area.
2-5-96	SR95-9	Larger-than-city sphere amended; sphere now includes 35.5± sq. mi. city plus approximately 11.8 sq. mi.	Expansion of city resulted from seven proposals that annexed 10.7± sq. mi. Additional sphere consists of land located northeast (Inverted "L") and southeast (Otay Valley Planning Area) of the City. Special Study Area retained for 2,154± acres in Otay Valley Planning Area. Amendments to spheres for Cities of San Diego and National City, and Rural FPD involved removal of Special Study Area designations: Otay River Valley – 369 acres added to San Diego's sphere; South San Diego Bay – 285 acres added to National City's sphere; and 457 acres in the Inverted "L" Planning Area were removed from Rural FPD's sphere. Also noted is an overlap of spheres for Chula Vista and City of San Diego consisting of three non-contiguous areas totaling 600± acres along Chula Vista's southwestern boundary that are in San Diego and its sphere, and also in Chula Vista's sphere.
7-1-96	*	Larger-than-city sphere amended; 1,889 acres added to sphere and 265 acres remove from sphere and designated Special Study Area.	The amendment resolved most of the Otay Valley Special Study Area by retaining only the Otay Landfill as a Special Study Area and adding the remaining territory to Chula Vista's sphere.
3-3-08	SR08-07[B]	Larger-than-city sphere affirmed	See MSR 08-07: *"Municipal Service Review and Sphere of Influence Review for All Cities in San Diego County"* A sphere review was conducted for all 18 cities. Sphere affirmed because no sphere changes for 12 years. Potential amendments could occur in conjunction with reorganizations between Chula Vista and the Cities of National City and San Diego to establish more logical boundaries along the Cities' shared boundaries. Those sphere changes would not be subject to LAFCO's sphere amendment restriction.

9-14-87	SI83-32	Larger-than-city sphere adopted; includes 9± sq. mi. City plus a 10,000 sq. ft. parking lot.	Based on public testimony, the Commission rejected the staff recommendation to include 460± acres located in the Mt. Helix area. A 9.5± sq. mi. area located east of the City was designated a Special Study Area. A coterminous sphere was adopted for the City of San Diego's Study Area No. 3 that is the mutual border abutting La Mesa's western corporate boundary.
8-8-87	*	Larger-than-city sphere amended to include 10,000 sq. ft. parking lot; amendment area annexed to City; effective 9-21-87 making sphere coterminous.	See CA87-6: *"Westphal Co. Annexation" to the City of La Mesa* 0.3 acre annexed to City, but not detached from San Miguel Consolidated FPD; approval of proposal required City to adopt a sphere, which was adopted subsequent to the annexation being recorded.
1-8-90	SA89-31	Coterminous sphere amended to include 0.75 acre; amendment area annexed to City.	See RO87-28: *"Westphal No. 2 Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD.

Approval Date	LAFCO Ref. No. (*no Ref. No.)	Approved Sphere Action	Related Information
2-1-93	SA92-21	Larger-than-city sphere affirmed Oversight regarding CA87-6 not discovered until 2014; in point of fact, sphere actually coterminous.	Seven amendments that added 6.5 acres to the City and sphere were approved. Most related to failing septic systems or construction limited to one or two homes. Most of the unincorporated portion of La Mesa's general plan area was developed, receiving services from special districts and county agencies, and would not require public services from the City. Thus, the existing sphere was affirmed and the Special Study Area designation removed.
6-5-95	SA95-1	Coterminous sphere amended to include 1.13 acres; amendment area annexed to City.	See RO95-1: *"Aljabi Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD; road construction damaged septic system; sewer connection required.
6-3-96	SA96-8	Coterminous sphere amended to include 0.51 acre; amendment area annexed to City.	See RO96-8: *"Skibbe Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD; failed septic system.

2-4-02	SA01-17	Coterminous sphere amended to include 0.35 acre; amendment area annexed to City.	See RO01-17: *"Martinez Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD and CSA No. 135; failed septic system.
7-7-03	SA03-13	Coterminous sphere amended to include 0.54 acre; amendment area annexed to City.	See RO03-13: *"Rhea Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD and CSA No. 135; failed septic system.
8-1-05	SR05-17	Coterminous sphere affirmed	A sphere review was conducted for 11 cities including La Mesa, which is the sole provider of public sewer in the area. Conditions remained fairly static since the 1993 affirmation. Eight amendments and concurrent annexations totaling only 4.8 acres were approved since that time, and all except one had failing septic systems.
11-7-05	SA05-30	Coterminous sphere amended to include 0.39 acre; amendment area annexed to City.	See RO05-30: *"Olander Reorganization" (City of La Mesa)* Area detached from San Miguel Consolidated FPD and CSA No. 135; failed septic system.
3-3-08	SR08-07[I]	Coterminous sphere affirmed	See MSR08-07: *"Municipal Service Review and Sphere of Influence Review for All Cities in San Diego County"* A sphere review was conduct for all 18 cities. Since the 2005 affirmation, there has been one minor sphere amendment, and no changes were requested by city staff. Because of the potential for future septic system failure, the restriction on approving sphere amendments in the ensuing five year period was waived

City of NATIONAL CITY			Incorporated: September 17, 1887
2-4-85	SI83-29	Larger-than-city sphere adopted; includes 8.3± sq. mi. City plus 290± acres.	Additional sphere acreage consists of Lincoln Acres, and a 3-acre island located in the City's most southeasterly area north of Bonita. Special Study Areas designated for: (1) the Western Salt Company's incorpor-ated leased property abutting Chula Vista's southwestern boundary and the corridor running under San Diego Bay; (2) four non-contiguous, incorporated areas totaling 104 acres (two total 75 acres in National City south of SR 54, and two totaling 29 acres in Chula Vista north of SR 54); and (3) unincorporated territory in the Valley Road area.
6-3-85	*	Larger-than-city sphere amended to include 48 acres; amendment area annexed to City. Larger-than-city sphere amended to add 12.55 acres to sphere only	See RO84-28: *"Valley Road Reorgani-zation" (City of National City)* Concurrent with this proposal was resolution of the Valley Road Special Study Area. To avoid creating a county island, the reorganization was modified to include annexation of 3.41 adjacent acres to the City of San Diego. Also a 12.55-acre unincorporated corridor was added to National City's sphere.

Approval Date	LAFCO Ref. No. (*no Ref. No.)	Approved Sphere Action	Related Information
2-5-96	SA95-9A	Larger-than-city sphere amended to include 2 separate areas of 75 acres and 285 acres. Larger-than-city sphere affirmed	See SR95-9: *"Sphere of Influence Review for the City of Chula Vista"* Concurrent with the sphere review for Chula Vista, National City's sphere was affirmed and the two remaining Special Study Areas resolved. The Western Salt Company's lease holding was added to National City's sphere, and the sphere became coterminous with Chula Vista and National City's mutual boundary. Amendments also adopted for the City of San Diego and Rural FPD.
8-1-05	SR05-19	Larger-than-city sphere affirmed	A sphere review was conducted for 11 cities including National City. Sphere affirmed; (1) no sphere activity for 9 years; and (2) request from city staff to retain existing sphere.

City of SAN MARCOS			Incorporated: January 28, 1963
8-6-79	*	Larger-than-city sphere adopted; includes 22± sq. mi. City plus 12± sq. mi.	Additional acreage primarily consists of two large tracts of land located west (Lake San Marcos and adjacent area) and north (Twin Oaks Valley) of the City limits.
6-1-92	SA89-37	Larger-than-city sphere amended to include 454 acres	Since 1979, three amendments were adopted: two removed territory from San Marcos' sphere that was then added to the spheres for other cities (42.7 acres to Carlsbad and 37.5 acres to Vista); and one pertained to the "Miller-Dynon Reorganization" (RO87-6) that added 11.5 acres to San Marcos' sphere and then was annexed to the City. The update added territory in three non-contiguous parcels (347 acres along the City's southwestern boundary and 127 acres on the southern boundary). See SA92-8 (City of Encinitas): A sphere overlap of 57 acres between San Marcos and Encinitas was resolved when the area was removed from the Encinitas sphere and retained in San Marcos' sphere.
12-7-92	SA92-19	Larger-than-city sphere amended to include 1.15 acres; amendment area annexed to City.	See RO92-15: *"Bosstick Reorganization" (City of San Marcos)* Amendment area also annexed to San Marcos FPD, and detached from Vista FPD, Vallecitos WD, and Buena Sanitation District. Amendment restriction policy waived because adopted sphere boundary split the ownership.
8-2-93	SA93-5	Larger-than-city sphere amended to include 5± acres	See SA93-6 City of Escondido: Prior to Escondido's sphere update, an adjustment to the spheres for Escondido and San Marcos was required because the sphere line split a 10.8-acre parcel. The portion in Escondido's sphere was removed and transferred to San Marcos' sphere.

See SA85-5; RO85-4: *"Agua Hedionda Area C Reorganization" (City of Vista)* Differing amounts of territory were involved in annexations to the Cities of Vista and Carlsbad, and Vista ID with detachments from the City of Carlsbad and Vista FPD.
5-2-88	SA88-3	Larger-than-city sphere amended to include 32.37 acres; amendment area annexed to City.	See RO88-3; RO87-27: "*Jack Adams Reorganization" (City of Vista); "West City IV/County Island Reorganization" (City of San Marcos)* Along with the annexation to Vista, different acreages were involved in annexation to the Vista ID and detachment from the Vista FPD The sphere amendment territory was removed from the City of San Marcos' sphere.
11-4-91	SA89-13	Larger-than-city sphere amended to include 20± acres; amendment area annexed to City.	See RO89-6; SA89-36: "S*an Clemente Reorganization" (City of Vista)* Different acreages were involved in the annexations to Vista, Vista ID, and Bueno Colorado MWD, and detachments from Vista FPD and Vallecitos WD.
	SA88-19	Sphere update withdrawn	Since Vista's original sphere adoption, about 3 sq. mi. of sphere territory had been annexed to the City. Amendments accounted for a met expansion to the sphere of about 58 acres. In Dec. 1988, the City proposed a sphere expansion of 4,200± acres located in two discrete areas: 1,747 acres north of the current sphere in the Bonsall Community Plan; and 2,446 acres east of the sphere in the North County Metropolitan Plan. In Aug. 1991, the City Manager requested that the sphere update be withdrawn, so no further action occurred.

Approval Date	LAFCO Ref. No. (*no Ref. No.)	Approved Sphere Action	Related Information
2-2-04	*	Larger-than-city sphere amended to ***exclude*** 1.64 acres; amendment area detached from City.	See RO03-26: *"Poinsettia Avenue Reorganization" (City of San Marcos)* Area annexed to the City of San Marcos and San Marcos FPD to create a logical boundary when a road was realigned.
3-3-08	SR08-07[R]	Larger-than-city sphere affirmed	See MSR08-07: *"Municipal Service Review and Sphere of Influence Review for All Cities in San Diego County"* A sphere review was conducted for all 18 cities. Sphere affirmed: (1) minimal sphere activity; and (2) no sphere change requests.
4-5-21	*	Larger-than-city sphere amended to include 0.7 acres; amendment area annexed to City.	See RO20-18 et al.: *"Plumosa Avenue Reorganization"* Area annexed 0.7 acres to the City to facilitate a wastewater service connection to an existing residential duplex given the underperformance of the septic system along with a detachment from Vista FPD.
