SUBJECT: **Legislative Report**

SUMMARY

The Special Districts Advisory Committee ("Committee") will receive an update on legislative proposals germane to the LAFCO's oversight and related interests during the second year of the 2025-2026 State Legislative Session. This report is presented for information only.

BACKGROUND

San Diego LAFCO staff actively monitors pending and proposed legislation affecting the LAFCO's regulatory and planning responsibilities, consistent with the Commission's adopted workplan. Staff's monitoring efforts are supported through membership in the Alliance of LAFCOs (Alliance) and its contracted lobbyist, Politico Group, and government affairs consultant Patrick Bouteller. Staff provides the Commission with monthly legislative updates and separately presents a quarterly update to the Committee.

consideration. All legislation advancing through both houses must be passed by August 31, 2026, which is the statutory deadline for bill passage for the 2026 Legislative Session.

DISCUSSION

This item presents legislative updates on proposals of interest to San Diego LAFCO. A total of fourteen (14) bills are tracked: nine (9) measures that would directly affect LAFCO operations and five (5) measures that, while not directly impacting LAFCO, are of interest. Summaries and status of each bill are provided in Attachment One.

ANALYSIS

Staff characterizes the overall effect of this legislative session on LAFCO as limited. Several LAFCO-specific measures have stalled or been amended to remove LAFCO-related provisions. The most direct relevance to LAFCO is concentrated in two bills: AB 1600, which touches on municipal service review scope, and AB 356, which addresses healthcare district oversight.

RECOMMENDATION

This item is presented to the Committee for information only.

ALTERNATIVES FOR ACTION

None.

PROCEDURES FOR CONSIDERATION

This item has been placed on the Committee's agenda as part of the consent calendar. A successful motion to approve the consent calendar will include taking affirmative action on the staff recommendation unless otherwise specified by the Committee.

On behalf of LAFCO staff,

CALIFORNIA STATE LEGISLATURE | 2025–2026 REGULAR SESSION							
	Bill Number [1]	**Author**	**Title**	**Summary / Notes**	**Current Status**	**Introduced / Last Amended**	**Last Action**
ASSEMBLY BILLS							
1	AB 259	Rubio, Blanca	Open Meetings and Continued Access to Teleconferences	This bill is of statewide interest and would extend the authorization for legislative bodies of local agencies – including LAFCOs – to use modified teleconferencing procedures during declared emergencies through January 1, 2030. It preserves existing requirements related to public notice and agenda posting. San Diego LAFCO adopted a support position in March 2025. The bill passed the Assembly in 2025 and remains in the Senate Local Government Committee with no new hearing scheduled at this time.	Senate Local Government Committee	Introduced in January 2025; Last amended in April 2025	6/27/2025 In committee: Hearing postponed by committee.
2	AB 356	Patel, Darshana	Healthcare Districts in Northern San Diego County	This bill is of local interest and was initially introduced to establish a state-directed working group to assess healthcare access in northern San Diego County, with a focus on the Palomar Healthcare District's service area. In response to the Commission taking a support-if-amended position in June 2025, the bill has been amended to include LAFCO as a listed stakeholder, and in doing so connecting to the Commission's oversight of Palomar and current municipal service review activities. LAFCO Consultant Adam Wilson provided supportive testimony for the author in conjunction with them accepting the Commission's amendments. The bill passed the Assembly in 2025 and remains in the Senate Committee on Local Government with no new hearings scheduled at this time.	Senate Local Government Committee	Introduced in February 2025; Last amended in June 2025	7/10/2025 Re-referred to Com. on L. GOV.
3	AB 1600	Arambula, Joaquin	Disadvantaged Communities: Farmworker Communities	This bill is of statewide interest and would expand the definition of "disadvantaged communities" to include qualifying farmworker communities, and require CalEPA, in consultation with relevant state departments, to update screening tools and guidance to ensure their inclusion in eligibility determinations and benefit calculations. For LAFCOs, this change would affect municipal service reviews and sphere of influence updates by requiring evaluation of service needs for these newly included farmworker communities. After being lifted from the Assembly Appropriations suspense file on May 14, 2026, the bill advanced to the Assembly Floor, where it passed on May 26, 2026. AB 1600 has since moved to the Senate, where it was read for the first time on May 27, 2026 and referred to the Senate Committee on Environmental Quality.	Senate Environmental Quality Committee	Introduced in January 2026; Last amended in March 2026	6/3/2026 Referred to Com. on E.Q.

4	AB 1821	Pacheco, Blanca	California Public Records Act: Agency Response Time	This bill is of statewide interest and would extend the deadline for public agencies to provide an initial response to a public records request, by converting the current "calendar day" deadlines to a "business day" standard. The rationale is to give agencies – particularly smaller ones with limited staff – additional time to properly respond to requests. The bill passed the Assembly on May 27, 2026 and was sent to the Senate, where it was read for the first time on May 28, 2026. The bill was referred to the Senate Judiciary Committee where it was read a second time and amended. The bill passed and was re-referred to the Senate Committee on Appropriations.	Senate Appropriations Committee	Introduced in February 2026; Last amended in June 2026	7/1/2026 Passed Senate Com. on JUD. and re-referred to Com. on APPR.
5	AB 2083	Jackson, Corey	Moreno Valley-Perris Childcare Special District	This bill is locally focused with statewide implications and, as the Moreno Valley Perris Childcare Special District Act, would establish a new special district covering the Cities of Moreno Valley and Perris and their spheres of influence for the purpose of expanding childcare capacity and operating universal childcare programs. The district would be governed by a five-member board appointed by the two cities and other designated entities. The board would develop a plan of services for LAFCO and oversee district operations, including authority to hire staff and operate or contract for childcare facilities. Notably, the bill would establish the district directly by statute, with LAFCO oversight applying thereafter. After being placed on the Assembly Appropriations suspense file in late April, the committee held the measure under submission during its May 14, 2026 fiscal review hearing, halting its advancement for the remainder of the legislative session.	Assembly Appropriations Committee – **Dead**	Introduced in February 2026; Last amended in April 2026	5/14/2026 In committee: Held under submission.

SENATE BILLS							
6	SB 802	Ashby, Angelique	Sacramento Area Housing and Homelessness Agency	This bill is locally focused with an original focus to restructure the joint powers authority currently operating as the Sacramento Housing and Redevelopment Agency into a new Sacramento Area Housing and Homelessness Agency, centralizing housing and homelessness services across Sacramento County under a single regional entity. The bill passed the Senate in 2025. In its original form, the bill mandated that Sacramento LAFCO form and appoint an independent task force to facilitate the consolidation of multiple entities into the new agency, representing a bill-specific expansion of LAFCO duties into regional housing and homelessness governance. Mentions of Sacramento LAFCO were omitted from the bill on April 30, 2026. It is currently under review by the Assembly Committee on Appropriations.	Assembly Committee on Appropriations	Introduced in February 2025; Last amended in June 2026	7/2/2026 Passed Committee on L. GOV and re-referred to Com. on APPR.
7	SB 910	Seyarto, Kelly	Municipal Water Districts Water Service: Indian Lands	The bill is of statewide interest with local implications and would extend, from January 1, 2027 to January 1, 2032, the sunset on existing authority for municipal water districts to apply to LAFCO for authorization to provide water service to eligible Indian lands located outside district boundaries. If approved, the extension preserves an existing pathway utilized on multiple occasions by tribes in San Diego County. Following the cancellation of its March 18 hearing at the author's request, the bill remained in the Senate Committee on Local Government with no additional action taken. It did not return for further consideration and did not advance out of committee prior to the legislative deadline.	Senate Local Government Committee – **Dead**	Introduced in January 2026	3/12/2026 March 18 set for first hearing canceled at the request of author.

It also directs the State Water Resources Control Board to assess MWC governance and compliance by December 31, 2027, with a focus on disadvantaged communities, and recommends governance alternatives if current structures are found inadequate.
