CALIFORNIA STATE LEGISLATURE | 2025–2026 REGULAR SESSION							
	Bill Number [1]	**Author**	**Title**	**Summary / Notes**	**Current Status**	**Introduced / Last Amended**	**Last Action**
ASSEMBLY BILLS							
1	AB 259	Rubio, Blanca	Open Meetings and Continued Access to Teleconferences	This bill is of statewide interest and would extend the authorization for legislative bodies of local agencies – including LAFCOs – to use modified teleconferencing procedures during declared emergencies through January 1, 2030. It preserves existing requirements related to public notice and agenda posting. San Diego LAFCO adopted a support position in March 2025. The bill passed the Assembly in 2025 and remains in the Senate Local Government Committee with no new hearing scheduled at this time.	Senate Local Government Committee	Introduced in January 2025; Last amended in April 2025	6/27/2025 In committee: Hearing postponed by committee.
2	AB 356	Patel, Darshana	Healthcare Districts in Northern San Diego County	This bill is of local interest and was initially introduced to establish a state-directed working group to assess healthcare access in northern San Diego County, with a focus on the Palomar Healthcare District's service area. In response to the Commission taking a support-if-amended position in June 2025, the bill has been amended to include LAFCO as a listed stakeholder, and in doing so connecting to the Commission's oversight of Palomar and current municipal service review activities. LAFCO Consultant Adam Wilson provided supportive testimony for the author in conjunction with them accepting the Commission's amendments. The bill passed the Assembly in 2025 and remains in the Senate Committee on Local Government with no new hearings scheduled at this time.	Senate Local Government Committee	Introduced in February 2025; Last amended in June 2025	7/10/2025 Re-referred to Com. on L. GOV.
3	AB 1600	Arambula, Joaquin	Disadvantaged Communities: Farmworker Communities	This bill is of statewide interest and would expand the definition of "disadvantaged communities" to include qualifying farmworker communities, and require CalEPA, in consultation with relevant state departments, to update screening tools and guidance to ensure their inclusion in eligibility determinations and benefit calculations. For LAFCOs, this change would affect municipal service reviews and sphere of influence updates by requiring evaluation of service needs for these newly included farmworker communities. After being lifted from the Assembly Appropriations suspense file on May 14, 2026, the bill advanced to the Assembly Floor, where it passed on May 26, 2026. AB 1600 has since moved to the Senate, where it was read for the first time on May 27, 2026 and referred to the Senate Committee on Environmental Quality.	Senate Environmental Quality Committee	Introduced in January 2026; Last amended in March 2026	6/3/2026 Referred to Com. on E.Q.

4	AB 1821	Pacheco, Blanca	California Public Records Act: Agency Response Time	This bill is of statewide interest and would extend the deadline for public agencies to provide an initial response to a public records request, by converting the current "calendar day" deadlines to a "business day" standard. The rationale is to give agencies – particularly smaller ones with limited staff – additional time to properly respond to requests. The bill passed the Assembly on May 27, 2026 and was sent to the Senate, where it was read for the first time on May 28,2026 and referred to the Senate Rules Committee for assignment.	Senate Rules Committee	Introduced in February 2026; Last amended in April 2026	5/28/2026 In Senate. Read first time. To Com. on RLS. for assignment.
5	AB 2083	Jackson, Corey	Moreno Valley-Perris Childcare Special District	This bill is locally focused with statewide implications and, as the Moreno Valley Perris Childcare Special District Act, would establish a new special district covering the Cities of Moreno Valley and Perris and their spheres of influence for the purpose of expanding childcare capacity and operating universal childcare programs. The district would be governed by a five-member board appointed by the two cities and other designated entities. The board would develop a plan of services for LAFCO and oversee district operations, including authority to hire staff and operate or contract for childcare facilities. Notably, the bill would establish the district directly by statute, with LAFCO oversight applying thereafter. After being placed on the Assembly Appropriations suspense file in late April, the committee held the measure under submission during its May 14, 2026 fiscal review hearing, halting its advancement for the remainder of the legislative session.	Assembly Appropriations Committee – **Dead**	Introduced in February 2026; Last amended in April 2026	5/14/2026 In committee: Held under submission.

SENATE BILLS							
6	SB 802	Ashby, Angelique	Sacramento Area Housing and Homelessness Agency	This bill is locally focused with an original focus to restructure the joint powers authority currently operating as the Sacramento Housing and Redevelopment Agency into a new Sacramento Area Housing and Homelessness Agency, centralizing housing and homelessness services across Sacramento County under a single regional entity. The bill uniquely mandates the Sacramento LAFCO to form and appoint an independent task force to facilitate the consolidation of multiple entities into the new agency, which represents a bill-specific expansion of LAFCO duties into regional housing and homelessness governance. After passing the Senate in 2025, the bill was amended in the Assembly in early 2026, including additional author amendments adopted on April 28 and April 30, 2026. It is currently under review by the Assembly Committee on Housing and Community Development and a hearing will be considered at a later time.	Assembly Committee on Housing and Community Development	Introduced in February 2025; Last amended in June 2026	6/3/2026 June 10 hearing postponed by committee.
7	SB 910	Seyarto, Kelly	Municipal Water Districts Water Service: Indian Lands	The bill is of statewide interest with local implications and would extend, from January 1, 20227 to January 1, 2032, the sunset on existing authority for municipal water districts to apply to LAFCO for authorization to provide water service to eligible Indian lands located outside district boundaries. If approved, the extension preserves an existing pathway utilized on multiple occasions by tribes in San Diego County. Following the cancellation of its March 18 hearing at the author's request, the bill remained in the Senate Committee on Local Government with no additional action taken. It did not return for further consideration and did not advance out of committee prior to the legislative deadline.	Senate Local Government Committee – **Dead**	Introduced in January 2026	3/12/2026 March 18 set for first hearing canceled at the request of author.

It also directs the State Water Resources Control Board to assess MWC governance and compliance by December 31, 2027, with a focus on disadvantaged communities, and recommends governance alternatives if current structures are found inadequate.
