PROPOSED DRAFT POLICY ON PUBLIC MEMBER APPOINTMENTS

The San Diego County Local Agency Formation Commission ("LAFCO") invites the public and all local agencies to review a proposed policy establishing rules and procedures for appointing regular and alternate public members.

The proposed policy was presented to the Commission in draft form during its meeting on December 2, 2024. It was prepared as part of LAFCO's adopted workplan and in advance of the current regular public member's four-year term expiring in May 2025. As proposed, the draft policy builds on recent practice and feedback from the Commission and collectively aims to create a clear and known process. Key provisions include tasking the Executive Committee with screening and nominating two or more applicants for full Commission consideration while also allowing individual Commissioners to make nominations. The draft also outlines a streamlined process for reappointments.

The public and all local agencies are encouraged to review the draft policy online at www.sdlafco.org and consider submitting written comments. Written comments received on the draft prior to the end of business on Friday, January 10, 2025 will be incorporated into a final version of the policy for consideration by the Commission at a subsequent meeting. Written comments should be directed by e-mail to Assistant Executive Officer, Priscilla Mumpower at priscilla.mumpower@sdcounty.ca.gov. Please contact the LAFCO office at 619-321-3380 or by email at lafco@sdcounty.ca.gov with any questions.
